

6. **In order to submit your warranty claim, please contact our service centre.**

Preferably, please use our form on our homepage:
<https://www.schepbach.com/de/service>

Please do not send us any products without first contacting and registering with our service centre.

Contacting our service centre first is mandatory to claim these warranty promises. Warranty claims must be made before expiry of the warranty period within 14 days of discovery of the defect. For this purpose, the original purchase receipt and, if necessary, confirmation of the item-related warranty extension are required.

7. **Processing time** - We normally process complaint consignments within 14 days of receipt at our service centre. If, in exceptional cases, the processing time mentioned is exceeded, you will be informed in good time.
8. **Wear parts are generally excluded from the warranty!** - Wear parts are: a) supplied, attached and/or installed batteries / rechargeable batteries as well as b) all model-dependent wear parts (i.e. belts, saw blades, tool attachments, grinding discs, filters, carbon brushes etc., see operating manual). The warranty does not cover batteries or rechargeable batteries that are deeply discharged or those with damaged housing or battery terminals.
9. **Cost estimate** - Products that are not covered or no longer covered by the warranty will be repaired at extra cost. Upon request to our service centre, you can send in the defective products for a cost estimate and, if necessary, give the service centre approval for the repair in writing (by post, e-mail). No further processing will take place without approval for the repair.
10. **Claims other** than those mentioned above cannot be asserted.

The warranty conditions only apply in the current version at the time of the complaint and, if necessary, can be found on our homepage (www.schepbach.com).

In case of translations, the German version is decisive.
