

# SPARE PARTS LIST

| Part n° | Supplier Reference | Description  | QTY |
|---------|--------------------|--|-----|
| 1       | 1413901            | Upper handle sheath                                  | 1   |
| 2       | 1488212            | upper handle   | 1   |
| 3       | 1488210            | switch lever   | 1   |
| 4       | SSB10.0            | switch box assembly                                  | 1   |
| 5       | 1413010            | Quick clip   | 2   |
| 6       | B504007            | washer   | 2   |
| 7       | 1413209            | lock pin   | 2   |
| 8       | 1413216            | Curved head bolt                                     | 2   |
| 9       | 1488211            | lower handle   | 1   |
| 10      | 1488013            | tailgate   | 1   |
| 11      | 1488213            | Baffle shaft   | 1   |
| 12      | 1488502            | Baffle torsion spring                                | 1   |
| 13      | 1488032            | Left and right bolt press sleeves                    | 2   |
| 14      | B220008            | Hex Nut M6   | 2   |
| 15      | 1488023            | handle bracket                                       | 1   |
| 16      | 1488024            | handle bracket cover                                 | 1   |
| 17      | B400025F           | screw ST4.2X16                                       | 47  |
| 18      | B400023F           | screw ST4.2X13                                       | 10  |
| 19      | 1488034            | Quick clip   | 2   |
| 20      | 1488031            | handle holder  | 2   |
| 21      | 1488017            | motor cover  | 1   |
| 22      | 1488018            | under the motor shroud                               | 1   |
| 23      | 1432778            | Motor components                                     | 1   |
| 24      | 1488002            | gearbox  | 1   |
| 25      | B700406            | Deep groove ball bearing 609-2RS                     | 1   |
| 26      | B620005            | Self-tapping screw and flat washer assembly ST4.8X19 | 13  |
| 27      | 1408901            | friction block                                       | 1   |
| 28      | B700450            | Deep groove ball bearing 6203-2R2(17X40X12)          | 2   |

| Part n° | Supplier Reference | Description  | QTY |
|---------|--------------------|--|-----|
| 29      | 1432501            | return spring  | 3   |
| 30      | 1408401            | brake pads   | 3   |
| 31      | B401003F           | Cross recessed countersunk head tapping screw<br>ST4. 2X12 | 6   |
| 32      | 1488031            | driven wheel lower cover                                   | 1   |
| 33      | 1488001            | driven wheel assembly                                      | 1   |
| 34      | 1488301            | multi-ribbed belt  | 1   |
| 35      | 1491005            | gearbox lower cover  | 1   |
| 36      | 1488004            | blade connector  | 1   |
| 37      | B400004F           | Cross recessed pan head tapping screw ST2.9X9.5            | 4   |
| 38      | 1488021            | Left trim  | 1   |
| 39      | 1488014            | cover handle   | 1   |
| 40      | 1488012            | cover  | 1   |
| 41      | 1488022            | Right trim   | 1   |
| 42      | 401705             | Clamping plate   | 1   |
| 43      | B401004FB          | screw ST4.2X16   | 2   |
| 44      | 1488220            | shift panel  | 1   |
| 45      | 1488016            | side cover   | 1   |
| 46      | 1488011            | base   | 1   |
| 47      | 1488030            | Under the support of the pressure groove wheel             | 2   |
| 48      | 1488020            | grass guide box  | 1   |
| 49      | 1488028            | Grass thinning decorative board right                      | 1   |
| 50      | 1488027            | Grass thinning decorative board left                       | 1   |
| 51      | 1488040            | Counterweight Box Assembly                                 | 1   |
| 52      | 1488025            | The front cover  | 1   |
| 53      | 1488214            | blade  | 1   |
| 54      | B131025B           | Hexagon flange bolts M8X20                                 | 1   |
| 55      | 1413042            | rear wheel cover 250                                       | 2   |
| 56      | B278008            | Shaft circlip A type 10                                    | 4   |

# SPARE PARTS LIST

| Part n° | Supplier Reference | Description                                    | QTY |
|---------|--------------------|--|-----|
| 57      | B504011            | Flat Washer Class A 10                         | 4   |
| 58      | 916402             | wheel hub                                      | 8   |
