EN – For the better handle's attachment, it's commendable to use compatible glue in the holes or double-sided tape.

FR – Pour une meilleure fixation de la poignée, nous vous conseillons d'apporter de la colle compatible dans les trous indiqués, ou bien, du ruban adhésif double face.

ES – Para una mejor fijación del tirador, le aconsejamos que coloque adhesivo compatible en los agujeros o cinta de doble cara.

IT – Per un miglior fissaggio della maniglia, consigliamo di utilizzare collante nei rispettivi fori oppure nastro biadesivo.

ENGLISH - For day-to-day cleaning, simply wipe the product with a soft, damp cloth and a little mild detergent if necessary. Avoid cleaning agents that include ammonia, alcohol, bleach or abrasives. Rinse afterwards with clean water and then dry with a clean, dry cloth. Do blot up spills immediately. Please avoid exposing the product to high concentrations of steam or other forms of moisture. Keeping your bathroom ventilated is highly recommended.

FRANÇAIS - Pour l'entretien habituel du produit, veuillez nettoyer la surface avec un chiffon légèrement humidifié à l'eau et la sécher rapidement. Ne pas utiliser de lessives composées d'ammoniaque, d'alcool, d'eau de javel ou d'autres produits abrasifs. Il est recommandé de sécher toute eau stagnante. Evitez que le produit soit exposé à des concentrations excessives de vapeur ou autres formes d'humidité. Nous vous recommandons une bonne ventilation dans votre salle de bain.

ESPAÑOL - Para el mantenimiento diario de su producto, limpie la superficie con un paño ligeramente humedecido de agua y seque rápidamente. Evite detergentes que incluyan amoníaco, alcohol, lejía u otros abrasivos. Es conveniente secar cualquier derrame de agua que se haya producido. Evite exponer el producto a excesivas concentraciones de vapor u otras formas de humedad. Le aconsejamos ventilar bien su cuarto de baño.

ITALIANO - Per la manutenzione giornaliera del prodotto, si consiglia di pulire la superficie con un panno leggermente inumidito in acqua ed asciugare a continuazione. Evitare detersivi che includano ammoniaca, alcool, candeggina o altri prodotti abrasivi. È conveniente asciugare qualsiasi fuoriuscita d'acqua. Evitare esporre il prodotto ad eccessive concentrazioni di vapore o altre forme d'umidità. Consigliamo inoltre di ventilare bene la stanza di bagno.
