## What are the terms and conditions for implementing the warranty?

The terms and conditions for implementing the Adeo Services warranty are as follows

The warranty takes effect on the date of purchase (or on the date of delivery if later).

A proof of delivery/purchase is required prior to performing any operation on your device under warranty. Please note that without this proof, any work to be done will be subject to an estimate, which must be accepted by the customer before any work can be done. Please keep your purchase receipt or delivery note. All work will be performed by Adeo Services or its authorized service providers.

Any replaced part becomes the property of Adeo Services

The repair or replacement of your device under warranty does not extend the warranty period.

The warranty does not affect the exercise of your rights under the legal warranties provided by the civil code and the consumer code.

To make use of this warranty, you must contact the brand company from which you purchased your product.

## Date of entry into force of the warranty:

The Adeo Services warranty takes effect on the date of purchase or the date of delivery of your product, whichever is later.

## Geographic scope of Adeo Services warranty:

The warranty is valid in the country of purchase of the product. If you use your device in a country other than the one in which you purchased it, the warranty may be invalidated. In this case, please contact the brand company in the country of origin where you purchased the product who will study the warranty claim on a case by case basis.

## Fate of Adeo Services warranty in case of resale of the product:

In case of resale of the product during its warranty period, the warranty remains valid for the benefit of the buyer and can be implemented by the latter provided however:

That the proof of original purchase of the product is brought along,

That the proof of proper functioning of the product at the time of the resale is brought along,

That the terms and conditions of implementation of the warranty as detailed within the present document are met. It is specified that the resale of the product has no effect on the warranty period remaining at the date of resale. Thus, the buyer of the resold product can claim the benefit of the Adeo Services warranty within the limit of the remaining validity time of the warranty at the date of the resale.

## QUESTIONS & COMPLAINTS

If you have any questions or encounter problems with the use of the product, its performance or its visual appearance, do not hesitate to contact your supplier to the contact details indicated on the proof of purchase.
