

Guide de mise en oeuvre de l'Easy Shingle®

F

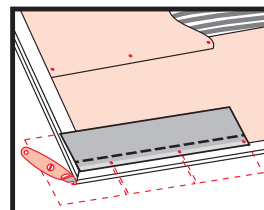

Pour la mise en oeuvre de 2 m², vous avez besoin d'un paquet d'Easy Shingles®, de 100 pointes (clous) et d'une cartouche de mastic bitumineux Easy Shingle® Stick.

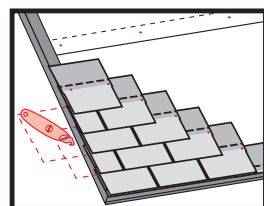

2 m² par paquet

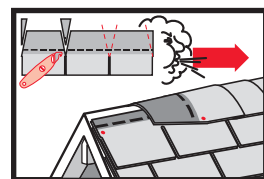

Utilisez des pointes (clous) galvanisées de type Easy Shingle® et du mastic bitumineux Easy Shingle® Stick

1 paquet = 14 m de bande de départ (doublis)

Coupez les jupes comme illustré pour une application correcte

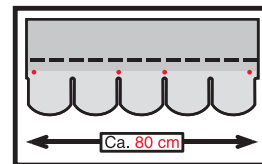

Coupez les jupes comme illustré pour les faitières

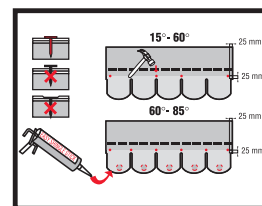

Guida per la posa tegole Easy Shingle®

I

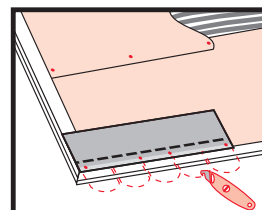

Per posare 2 m² di tegole canadesi è necessario un pacco di tegole Easy Shingles®, 100 chiodi e una cartuccia di mastice a base di bitume Easy Shingle® Stick.

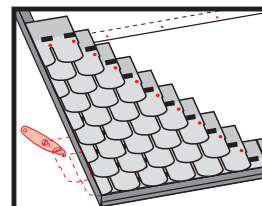

2 m² a pacco

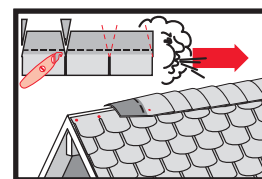

Utilizzare chiodi galvanizzati Easy Shingle® e cartucce di mastice bituminoso Easy Shingle® Stick

1 pacco = 13 metri di linea di partenza

Per la corretta posa tagliare le tegole come illustrato

Eseguire il colmo come illustrato
